Annual Membership Fee is \$35/Student or \$70/Family due every August. If you join any other month throughout the year, you will pay a prorated amount.

Tuition is due on the 25th of each month for the following month. If tuition is *not* paid by the first week of the month, your student's slot will be made available to the general public. Our tuition is based on 12 months. **Therefore, some months may have more or less days of instruction and we will not prorate for months that have less; just as we will not raise the tuition for months that have more.**

Makeup Classes: Classes that are missed due to illness may be made up during the month in which they were missed on the last Friday of the month. We allot one makeup class per month. Classes that are missed for *any* other reason including but not limited to injury, vacation, Mother Nature, etc. are not able to be made up or refunded.
